Restaurant Management Application.	● **Project Title: Restaurant Management Application.** ● **Description:** 　A React-based application for managing restaurant data, allowing users to perform **CRUD** operations on restaurant records stored in a local **JSON** file. ● **Key Features:** 　1. **Table Display:** Displays restaurant data in a table with columns for Name, Address, Pin code, Mobile Number, Email, and Website. 　2. **Add Restaurant:** Button to open a form for adding new restaurant details. Updates JSON file and table on submission. 　3. **Edit Restaurant:** "Edit" button opens a form with pre-filled details for updating restaurant information. Saves changes to JSON file and updates table. 　4. **Delete Restaurant:** "Delete" button with confirmation prompt to remove restaurant from JSON file and update table. ● **GitHub Link:** https://github.com/kunalpuri123/Corkers-Assignment ● **Deployment Link:** https://corkers-assignment-istx.vercel.app/ ●**Technologies/Languages used: HTML5, CSS, JavaScript, Bootstrap, React, Local JSON file, Redux, Git, GitHub.**	**March 24**
Brunel – Talent Hire Platform.	● **Project Title: Brunel – Talent Hire Platform.** ● **Description**: This React-based project presents an elegant and user-friendly registration portal. The portal features an attractive **CSS design** and offers a seamless user experience. Upon clicking the "Get Projects" button on the homepage, users are directed to a registration form where they can input their details. Upon submission, users receive a success message confirming their registration. The project then automatically redirects users to the homepage. ● **GitHub Link:** https://github.com/kunalpuri123/Brunel-Talent-Hire-Platform.git ● **Deployment Link:** https://brunel-talent-hire-platform.vercel.app/ ●**Technologies/Languages used: HTML5, CSS, JavaScript, Bootstrap, React, Redux,Git, GitHub.**	**April 24**

EXTRA-CURRICULAR ACTIVITIES	

Role of Responsibility	● 'Pune Division Lead ' At **Sparkling Wing Ngo.** ● **'E Cell Lead'** At E-Cell, Sinhgad College of Engineering, Pune.
Certification	● **Data Structure and Algorithm** by Rohit Negi. ● Participation in NetScout Teach for Good **Hackathon**. ● Upgrad Job readiness test **Top Performer.**
